1 Introduction

2 Basic structuring

3 Fancy features

Prerequisites & Goals

Knowledge is a brick wall that you raise line by line forever

LaTeX

- Obviously some basic LaTeX knowledge is necessary
- Some more features will be provided here

Beamer

- You'll learn them by looking at this presentation source

Goal

- Learn how to make well structured slides
- Using a beautiful theme (congrats to the Oxygen team!)
- Take over the world
- Relax...

2 Basic structuring

3 Fancy features

Sections, Frames and Blocks

Put everything into boxes

The current section is "Basic structuring". And the current frame is what you have on the screen right now.

A beautiful block

A block has a title, and some content. You can put in a block almost everything you want that is provided by LaTeX. For example math works as usual:

$$\sum_{i=1}^n i = \frac{n \times (n + 1)}{2} \quad (1)$$

Also works outside a block:

$$\sum_{i=1}^n i^2 = \frac{n \times (n + 1) \times (2n + 1)}{6} \quad (2)$$

Different type of blocks

Weeeee! Colors!!

Standard block

- A standard block, used for grouping
- Obviously can contain itemizes too...
 - And nested itemizes...
 - of course!

Alert block

WARNING: Something very important inside this block!

Example

Note that examples are displayed as a special block...

Highlighting

Hey! Look here! here!

A regular block

- Normal text
- Highlighted text to draw attention
- "Alert'ed"text to spot very important information
- Alternatively you can
 - "Alert"the item itself
 - Or "Highlight"it

If it's very very important...

... you can "alert" in an "alertblock"

Ewww, nasty, heh?

Overlay effects

Keep the suspense!

Time bomb

- ① Two more to go
- ② One more to go
- ③ Last chance...
- ④ BOOM!

And now?
Enter the secret section

Contributing to this beamer style

We want you !

Why?

- Beamer is hot!
- This style deserves to be improved

How?

- Grab it
- Improve its LaTeX code
- Use you artistic skills
- Document it
- Help other people to use it
- Use it...

Resources

If you want to improve this style
